Live chat (transcript) with artist Sarah Oppenheimer

Welcome to MAN's first live chat! Our guest is New York-based artist Sarah Oppenheimer, who joins us from Rice University in Houston. To join the chat, click the link at the bottom of this post.

Oppenheimer's newest work, *D-17*, is a commission for the Rice University Art Gallery. It opens tomorrow and will be on view through December 5. You can see her photo-documentation of the creation of the piece here [<http://www.ricegallery.org/new/exhibition/oppenheimer.html>].

Oppenheimer's work is also on view at Pittsburgh's Mattress Factory, an installation which I reviewed here [<http://blogs.artinfo.com/modernartnotes/2008/05/sarah-oppenheimer-at-the-mattr/>] and here [<http://blogs.artinfo.com/modernartnotes/2008/05/sarah-oppenheimer-at-the-mattr-1/>]. Oppenheimer has recently created work for the Museum of Contemporary Art San Diego [at right: Oppenheimer, *P-41*, 2009; photo by Pablo Mason and courtesy MCASD] and the St. Louis Art Museum. Oppenheimer, who teaches at Yale, maintains her own website here [<http://www.sarahoppenheimer.com/>].
